

SONGBOOK

Dieses Songbook ist eigentlich nur eine Ansammlung von Songs und Texten, die ich mir im Laufe der Zeit von den verschiedensten Quellen besorgt habe. Die meisten der hier aufgeführten Songs stammen allerdings aus dem Internet und wurden lediglich von mir zusammengetragen. Sie sind daher auch nicht meine Interpretation und auch nicht von mir abgetippt. Die Leistung dafür gebührt anderen, hier ungenannten, da unbekannten Musikliebhabern. Trotzdem, oder gerade deshalb, ist dieses Songbook ein vielfältiges Sammelsurium von allen möglichen und unmöglichen Stilrichtungen und für jeden sollte eigentlich das eine oder andere interessante Stück dabei sein.

Viel Spass beim "Klampfen" und ich werde versuchen auch dieses Songbook abund zu um ein paar Songs zu erweitern.

PS: Wenn Ihr zufällig noch ein paar Songs im Word o.ä. Format herumliegen habt, dann wär Euch dankbar wenn Ihr mir diese schicken könntet. **Mail:** Webmaster@Lyricsarchiv.de

51st State - New Model Army

Intro: F

Strophe : | G | Am | F | F |

Refrain : | Am | G | F | F |

Look out of your windows, watch the skies
Read all the instructions with bright blue eyes
We're WASP's, yeah, proud American sons
We know how to clean our teeth and how to strip down a gun

Refrain :

We're the ...
51st state of America
This is the ...
51st state of America
We're the ..
51st state of America

Our star spangled Union Jack flutters so proud
Over the dancing heads of the merry patriotic crowd
Yeah, tip your hat to the yankee conqueror
We've got no reds under the bed, but guns under our pillows

Refrain

Bridge:

|G |F |F
Woohohohohoo...

Here in the land of opportunities (ha!)
Watch us revel in our liberty
Well, you can say what you like, but it doesn't change anything
'Cause the corridors of power, they're an ocean away

Refrain

99 LUFTBALLONS (Nena)

D e G A

1. Hast du etwas Zeit für mich, dann singe ich ein Lied für dich

D e G A

von 99 Luftballons auf ihrem Weg zum Horizont.

D e G A

Denkst du vielleicht gerad an mich, singe ich ein Lied für dich

D e G A D ~ ~

von 99 Luftballons , daß sowas von sowas kommt.

D e G A

2. 99 Luftballons auf ihrem Weg zum Horizont

D e G A

hielt man für UFOs aus dem All, darum schickte ein General

D e G A

`ne Fliegerstaffel hinterher, Alarm zu geben, wenn's so wär,

D e G A

dabei war'n dort am Horizont nur 99 Luftballons.

D e G A

3. 99 Düsenflieger, jeder war ein großer Krieger,

D e G A

hielten sich für Captain Kirk, das gab ein großes Feuerwerk.

D e

Die Nachbarn haben nichts gerafft,

G A

und fühlten sich gleich angemacht,

D e G A

dabei schoß man am Horizont auf 99 Luftballons.

D e G A

4. 99 Kriegsminister, Streichholz und Benzinkanister,

D e G A

hielten sich für schlaue Leute, witterten schon fette Beute,

D e G A

riefen Krieg und wollten Macht, Mann, wer hätte das gedacht

D e G A

daß es einmal soweit kommt, wegen 99 Luftballons.

D e G A

5. 99 Jahre Krieg ließen kleinen Platz für Sieger,

D e G A

Kriegsminister gibt's nicht mehr, und auch keine Düsenflieger

D e

Heute zieh ich meine Runden,

G A

seh die Welt in Trümmern liegen,

D e

hab' `nen Luftballon gefunden,

G A

denk` an dich und laß` ihn fliegen.....

Erinnerst du dich, wir ha'm Indianer gespielt
und uns an Fasching in die Büsche versteckt.

Was war eigentlich los, wir ha'm nie was gefühlt,
so eng nebeneinander und doch gar nix gecheckt.

War alles ganz logisch, wir kennen uns zu lange
als daß aus uns noch mal irgendwas wird.

Ich wußt' wie dein Haar riecht und die silberne Spange
hatt' ich doch schon tausendmal beim Tanzen berührt.

Tausendmal...

Wie viele Nächte wußt' ich nicht, was gefehlt hat.

Wär' nie drauf gekommen, denn das warst ja du.

Und wenn ich dir oft von meinen Problemen erzählt hab',
hätt' ich nie geahnt, du warst der Schlüssel dazu.

Doch so aufgewühlt hab' ich dich nie gesehen,
du liegst neben mir, und ich schäm' mich fast dabei,
was war bloß passiert, wir wollten tanzen gehen,
alles war so vertraut, und jetzt ist alles neu.

Tausendmal...

A Song for the Life

G D Em C D G
I don't drink the way that I used to - lately, that just ain't my style.

D Em
And the hard times don't hurt like they once did

C D G
they pass more quickly like when I was wild.

C D G C D Em
And somehow I learned how to listen to a sound like the sun going down.

C D G Em G Em
In the magic the morning is bringing there's a song for the life, I have found

C D G
- it keeps my feet on the ground.

D Em
The midsummer-days ain't too heavy
C D G
- they just flow like a breeze through my mind;

D Em C D G
and nothing appears in a hurry to make up for some old, lost time.

C D G C C Em
And somehow I learned how to listen to a sound like the sun going down.

C D G Em G Em
In the magic the morning is bringing there's a song for the life, I have found

In the yellow haze of the sun
There were children crying and colours flying
All around the chosen one
All in a dream, all in a dream

Flying mother nature's silver seed
To a new home in the sun

Auf meinem Kopf einen Strumpf von Palmers,
steh ich vor der Bank und sage: Überfall
ma' s' mit dem Finger im Mantel statt einer Puffn,
ich kann kein Blut seh'n, darum muß ich bluff'n.
Ich schrei: Hände hoch, das ist ein Überfall,
und seid ihr nicht willig, dann gibt's an Krawall !
Eine Oma dreht sich um und sagt: "Junger Mann,
stell'n Sie sich gefälligst hinten an!"
Ba-Ba- Banküberfall, Ba-Ba- Banküberfall, . . .

Nach einer halben Stund' bin ich endlich an der Reih',
mein Finger ist schon steif von der blöden Warterei.

Ich sag: Jetzt, oder nie, her mit der Marie!

Der Kassierer schaut mich an und fragt: Was haben Sie?

Ich sag: An Hunger und an Durscht und keinen Plärrer,
ich bin der böse Kassenentleerer!

Der Kassierer sagt: Nein, was fällt Ihnen ein?

Na gut, sag ich, dann zahl' ich halt was ein!

Hey there people I'm Bobby Brown, they say I'm the cutest boy in town

Dm7 **G**

My car is fast, my teeth are shiney, I tell all the girls they can kiss my hiney

Here I am at a famous school, I'm dressing sharp and I'm acting cool

I got a cheerleader here, wants to help with my paper, Let her do all the work and maybe later
I'll rape her

F

Oh God I am the american dream

I do not think I'm too extreme

Dm7 **G**

And I'm a handsome son of a bitch

G

I'm gonna get a good job and be real rich (get a good, get a good, get a good, get a good job)

Women's liberation; Came creeping all across the nation

I tell you people, I was not ready; When I fucked this dyke by the name of Freddy

She made a little speach then; uuh, she tried to make me say when

She had my balls in a vice, but she left the dick; I guess it's still hooked on but now it shoots too quick

F **Em** **Am**

Oh God I am the american dream; But now I smell like vaseline

Dm7 **G**

I'm a miserable son of a bitch; Am I a boy or a lady, I don't know which (I wonder, wonder)

So I went out and bought me a leisure suit; I jingle my change, but I'm still kinda cute

Got a job doing radio promo; And none of the jocks can even tell I'm a homo

Eventually me and a friend; Sort of drifted along into S&M

I can take about an hour on the tower of power; As long as I gets a little golden shower

F **Em** **Am**

Oh God, I am the american dream', With a spindle up my butt 'till it makes me scream

Dm7 **G**

And I'll do anything to get ahead, I lay awake nights saying "Thank you, Fred"

Can the circle be unbroken

C C7 F C

Can the circle be unbroken, by and by, Lord, by and by?

G C

There's a better home awaiting, in the sky, Lord, in the sky.

C7 F C

I was standing by the window on one cold and cloudy day

G C

When I saw the hearse come rolling for to carry my mother away.

C7 F C

Can the circle be unbroken, by and by, Lord, by and by?

G C

There's a better home awaiting, in the sky, Lord, in the sky.

C7 F C

Lord, I told the undertaker: „Undertaker, please drive slow

G C

For the body you are hauling, Lord, I hate to see her go.“

Can the circle be unbroken, by and by, Lord, by and by?

There's a better home awaiting, in the sky, Lord, in the sky.

For I followed close behind her tried to cheer up and be brave

But my sorrows, I could not hide them when they laid her in the grave.

Can the circle be unbroken, by and by, Lord, by and by?

There's a better home awaiting, in the sky, Lord, in the sky.

Went back home Lord, my home was lonesome since my mother she was gone

All my brothers and sisters crying, what a home so sad and 'lone.

Can the circle be unbroken, by and by, Lord, by and by?

There's a better home awaiting, in the sky, Lord, in the sky.

Candle in the Wind - Elton John

E **A**
Goodbye Norma Jean, though I never knew you at all
E **A**
You had the grace to hold yourself while those around you crawled
E **A**
They crawled out of the woodwork and they whispered into your brain
E **A**
They sent you on a treadmill and they made you change your name

Chorus :

B **B7**
And it seems to me you lived your life
E **A**
Like a candle in the wind
E **B**
Never knowing who to cling to when the rain set in
A **C#m**
And I would have liked to've known you but I was just a kid
B **A** **E**
Your candle burned out long before your legend ever did

Other verses:

Loneliness was tough, the toughest role you ever played
Hollywood created a superstar and pain was the price you paid
And even when you died, oh, the press still hounded you
All the papers had to say was that Marilyn was found in the nude

Goodbye Norma Jean, though I never knew you at all
You had the grace to hold yourself while those around you crawled
Goodbye Norma Jean, from a young man in the twenty second row
Who sees you as something more than sexual, more than just our Marilyn Monroe

I'm the train they call the city of New Orleans

and I'll be gone five- hundred miles when the day is done.

2. Dealing card- games with the old men in the club- car.

And it's penny-a-point, there ain't no one keeping score.

Will you pass the paper back that hold's the bottle,
you can feel the wheels grumbling 'neath the floor.

And the sons of Pullman Porters and the sons of engineers.

They ride their fathers' magic carpets made of steel.

Mothers with their babes asleep are rocking to the gentle beat.

The rhythm of the rails is all they dream. Just a- singing:

3. Night-time on the city of New Orleans,

Changing cars in Memphis, Tennessee,
half way home, will be there by morning,
with the Mississippi darkness rolling down to the sea.

And all the towns and people seem to fade into better dream.

And the steel rail still ain't heard the news.

Conductor sings his song again, the passengers will please refrain.

This train got the disappearing railroad blues. Just a- singing:

Cocaine Blues

Early one morning while making around, I took a shot of cocaine and I shot my woman down,

G⁷

C

went right home and I went to bed I - stuck that lovin' forty-four beneath my head.

C⁷ C

G

Early next morning I grabbed that gun, took a shot of cocaine and the way I'd run.

G⁷

C

Made a good run but I ran too slow, they overtook me down in Juarez, Mexico.

C⁷ C

G

Laid in a hard joint, takin' a pill, inwalked the sheriff from Jericho Hill,

G⁷

C

said Willie Lee your name is not Jack Brown, you're the dirty hobbit, shot your woman down!

C⁷ C

G

I said "Yes, Sir, my name is Willie Lee, if you've got a warrant just read it to me.

G⁷

Shot her down because she made me sore:

C

I thought I was her Daddy but she had five more."

C⁷ C

G

When I was arrested I was dressed in black, the put me on a train and they took me back.

G⁷

C

I had no friends for to go my bail: they slugged my dried-up carcass in that county-jail.

Got up next morning 'bout a half-past-nine, despite the sheriff commin' down the line,

popped and he coffed as he cleared his throat, he said:

"Now -huuh- that dirty hop into the district court."

Into the courtroom my trial began where I was handled by twelve honest men.

Just before the jury started out I saw that little judge commenced to look about.

In about five minutes in-walked a man holding the verdict in his right hand.

The verdict read "in the first degree" I hollered "Lord y Lord, they haven't mercy on me!"

The judge he smiled as he picked up his pen: "Ninety-nine years in them Folsom-Pain!"

Ninety-nine years underneath that frown - I can't forget the day I shot my woman down.

Come on you hobbs and listen on to me, lay of that whiskey and let that cocaine be.

Es rettet uns kein höhres Wesen, kein Gott, kein Kaiser, kein Tribun,
uns aus dem Elend zu erlösen, können wir nur selber tun.

Unmündig nennt man uns, und Knechte, duldet die Schmach nun länger nicht.

In Stadt und Land, ihr Arbeitsleute, sind wir die stärkste der Partein.

Die Müßiggänger schiebt beiseite, diese Welt muß unser sein!

Ein Bett im Kornfeld - Jürgen Drews

Deine Kraft, Deine Jugend, Dein Leben.

Hat du, toter Soldat, mal ein Mädchen geliebt?

Sicher nicht, denn nur dort, wo es Frieden gibt,

können Zärtlichkeit und Vertrauen gedei'n,

warst Soldat, um zu sterben, nicht um jung zu sein.

Vielleicht dachtest du Dir, ich falle schon bald,

nehme mir mein Vergnügen, wie es kommt, mit Gewalt.

Dazu warst du entschlossen, hast dich aber dann

vor dir selber geschämt und es doch nie getan.

Soldat, gingst du gläubig und gern in des Tod?

Oder hast zu verzweifelt, verbittert, verroht,

Deinen wirklichen Feind nicht erkannt bis zum Schluß?

Ich hoffe, es traf dich ein sauberer Schuß?

Oder hat ein Geschoß Dir die Glieder zerfetzt,

hast du nach deiner Mutter geschrien bis zuletzt,

bist Du auf Deinen Beinstümpfen weitergerannt,

und dein Grab, birgt es mehr als ein Bein, eine Hand?

Es blieb nur das Kreuz als die einzige Spur

von deinem Leben, doch hör' meinen Schwur,

für den Frieden zu kämpfen und wachsam zu sein:

Fällt die Menschheit noch einmal auf Lügen herein,

dann kann es gescheh'n, daß bald niemand mehr lebt,

niemand, der die Milliarden von Toten begräbt.

Doch finden sich mehr und mehr Menschen bereit,

diesen Krieg zu verhindern, es ist an der Zeit.

No matter where you choose to be, in my heart I'll always see you everywhere.

Nowadays when I'm passing through the conversation always turns to you,

I hear you're doin' fine, living out by the county line.

Got a man who's home every night, a couple of kids and the kind of life

that you want to lead, guess you could say the same for me;

Cause you and I, we made our choices all those years ago.

Still I know I'll hear your voice and see you down the road, maybe in

Oklahoma, drivin' `cross the prairie; Dallas, Texas, isn't that where we
always said we'd like to try, never did, so maybe that's why you're on every
highway, just beyond the highbeams, right beside me in all of my sweet dreams
no matter where you choose to be, in my heart, I'll always see you in

Albuquerque, waitin' out a blizzard; Arizona, dancin' `cross the desert

watching the sunset in Monterrey; girl I swear just the other day you were

down in Georgia, pickin' them peaches; in Carolina, barefoot on the beaches.

No matter where you choose to be, in my heart I'll always see you everywhere.

Fahrrad (Die Prinzen)

1. Strophe:

C F G
Neulich bin ich mit 120, auf meinem Fahrrad rumgefahrn.
C F G
Und wie immer konnt ich nur hoffen, die Polizei hält mich nicht an.
F C F C
Denn dann müßt ich Strafe zahlen und man führt mich zum Verhör.
C F G C
Und mein armes, kleines Fahrrad steht alleine vor der Tür.

2. Strophe:

Oh, wie liebe ich mein Fahrrad, warum das weiß ich nicht genau.
Meinem Fahrrad werd ich treu sein im Gegensatz zu meiner Frau.
Niemals werd ich es verlassen, niemals werd ich von ihm gehn.
Denn wir fliegen wie auf Wolken, weil wir uns so gut verstehn.

Refrain:

F G
Jeder Popel fährt nen Opel, jeder Affe fährt nen Ford,
F G
Jeder Blödmann fährt nen Porsche, jeder Arsch nen Audi Sport,
F G
Jeder Spinner fährt nen Manta, jeder Dödel Jaguar.
C F G C
Nur Genießer fahren Fahrrad und sind immer schneller da.

3. Strophe:

Mein Fahrrad ist nicht Lila, denn das macht mich gar nicht an.
Es ist auch nicht braun, weil ich braun nicht leiden kann.
Nein, ich hab's blau angestrichen vom Sattel bis zum Schlauch.
Und ich find das äußerst passend, den blau bin ich manchmal auch.

Refrain:

Father and son

Father :

G D C a₇

It's not time to make a change, just relax, take it easy,

G e a D

you're still young, that's your fault, there's so much you have to know.

G D C a₇

Find a girl, settle down, if you want you can marry,

G e a D

Look at me, I am old but I'm happy.

G D C a₇

I was once like you are now and I know that it's not easy,

G e a D

to be calm, when you've found something's going on.

G D C a₇

But take your time, think a lot, I think of everything you've got,

G e D G e G C

for you will still be here tomorrow, but your dreams may not.

Son :

G D C a₇

How can I try to explain, when I do, he turns away again,

G e a D

it's always been the same old story.

G D C a₇

From the moment I could talk I was ordered to listen,

G e D G

now there's a way and I know that I have to go away,

D C G C G C

I know I have to go.

Father :

G D C A7

It's not time to make a change, just sit down, take it slowly,

Son :

All the times, that I've cried, keeping all the things I knew inside,

G E A D

it's hard, but it's harder to ignore it.

If they were right, I'd agree, but it's them they know, not me.

But I shot a man in Reno just to watch him die.

D

When I hear that whistle blowin' I hang my head and cry.

Well, if they freed me from that prison, if that railroad train was mine,

G7

I'd bet I'd move it on little further down the line;

C

far from Folsom Prison, that's where I want to stay

and I'd let that lonesome whistle blow my Blues away.

Give it away

A D A

When I woke up this morning I had something on my face,

E D

it was still there when I brushed my teeth, still there when I shaved.

D A

I showed it to my neighbour and he broke into a grin.

E A

I gave it away, I gave it away.

D A E A

Smiles don't cost money, give it away, give it away.

D A A E A

Maybe all you have is just a kind word you can say, give it away, give it away.

I woke up this morning with a song in my heart,

I hummed it all through coffee and it gave my day a start.

I took my song to work with me and I sing it for my friends,

I gave it away, I gave it away.

Yes, Jesus loves me, give it away, give it away.

Maybe all you have is just a kind word you can say, give it away, give it away.

Don't think people do not care, I know they care a lot.

Don't be bashful of somebody, give it all you've got.

Understanding means more than you ever thought it could,

so give it away, give it away.

Love someone sometime, give it away, give it away.

Maybe all you have is just a kind word you can say, give it away, give it away.

Give it away, give it away.

Und dann erzählten sie mir von grünen Hügeln, Meer und Wind.

Von alten Häusern und jungen Frauen, die alleine sind.

Und das Ersparne genügt zu Hause für ein kleines Glück.

Und bald denkt keiner mehr daran, wie es hier war.

Ich sauf mir einen, steig in's Auto und trete voll aufs Gas.

Wieso hat der vor mir jetzt 'ne Vollbremsung gemacht?

Ich wache auf, vor meinem Bett steht ein alter Mann.

Head Over Feet (Alanis Morissette)

Music by Glen Ballard and Alanis Morissette

C G a F C

I had no choice but to hear you

I thought about it

Hit the road and go

and something was as wrong as if the sun forgot to rise.

F

I picked up a roadmap and I checked a few good places that I know

G

F

C

and if You`re no longer givin` I believe I`ll hit the road and go.

I just got the feelin` that the fire was burning out

C⁷

`cause the air was turnin` colder every time You came about

F

C

and a flame won`t take a fanning, if the last reserve of love is runnin` low.

G

F

So since I got a button up, I believe I`ll hit the road and go.

County-road six-forty, state-highway forty-five,

C⁷

life out off the interstate is very much alive.

F

C

There`s magic in the mountains and music in the valleys down below

G

F

C

and my song ain`t through playing yet, so I believe I`ll hit the road and go.

Good morning to you, sunshine, good morning to you, rain,

the windshieldwiper`s rhythm keeps me singin` down the pain.

The day I`m gonna miss You less - if I miss You at all - You`ll never know, You`ll never know.

This rambler has cut all the ties and pulled up stakes to hit the road and go,

I wish I was crazy again

A E A D E A

I met an old friend this morning and I stopped him and called him by name

E E7 A

I said the years haven't changed you but he said "Good Lord - how you changed".

E A D E A

So we stood there and talked on the corner and remembered the good times we had,

E E7 A

then he asked if we're happy together and I only smiled and I said:

D E A

„Yes, she keeps me off the streets, and she keeps me out of troubles,

D E A D A E A

sometimes at night, Lord, when I hear the wind, I wish I was crazy again,

D A E A

yes, I wish I was crazy again.“

E A D E A

Then we stopped in a tavern, we had us a round or two

E E7 A

we called ourselves "Old Desperados" as old friends are likely to do.

E A D E A

We sat for a while and remembered then he said "Let's have just one more"

E E7 A

I said: „I'd sure like to join you, but I'd best be goin' on home.“

D E A

Yes, she keeps me off the streets, and she keeps me out of troubles,

D E A D A E A

sometimes at night, Lord, when I hear the wind, I wish I was crazy again,

D A E A

yes, I wish I was crazy again.

D E A

She keeps me off the streets, and she keeps me out of troubles,

D E A D A E A

sometimes at night, Lord, when I hear the wind, I wish I was crazy again,

D A E A

yes, I wish I was crazy again.

I would like to see You again

G C G C D G
I was sitting here thinking about old times - some old times, some old friends.

C G C D G
And suddenly it crossed my mind that I would like to see You again.

C G C D G
Remember how we used to walk and talk - walk and talk, holding hands.

C G C D G
We said we loved each other I recall, made a lot future plans.

C D G C D G
But the years have come and gone, and a whole lot has happened since then,

C D G Em
but tonight Babe, Your memory's awfully strong on my mind

C D G
and I would like to see You again.

C G C D G
It's funny how an old flame comes back - come on back - makes you blue.

C G C D G
And I just saw a picture of a railroadtrack and some old shack and me and You.

C G C D G
Guess I'd better straighten out my mind - straighten it out - go to bed,

C G C D G
and pray that I don't dream about old times - some old times, gone and dead.

C D G C D G
The years have come and gone and a whole lot has happened since then,

C D G Em
but tonight Babe, Your memory's awfully strong on my mind,

C D G C G C D G
and I would like to see You again. Mmmh...

but I can say I've never intentionally hurt anyone.

I've always been different with one foot over the line

winding up somewhere one step ahead or behind.

It ain't been so easy but I guess I shouldn't complain.

I've always been crazy but it kept me from going insane.

Are you really sure you really want what you see?

D7 G

Be careful of something that's just what you want it to be.

I've always been crazy but it kept me from going insane.

G7 C

Nobody knows if it's something to bless or to blame.

D

So far I ain't found a rhyme or a reason to change:

D7 G

I've always been crazy but it kept me from going insane.

Und als er draussen auf der Straße stand,
fiel ihm ein, daß er fast alles bei sich trug,

vielleicht ging heute abend noch ein Flug.

Er könnt' ein Taxi nehmen dort am Eck oder Autostop und einfach weg,
die Sehnsucht in ihm wurde wieder wach,

Dann steckte er die Zigaretten ein und ging wie selbstverständlich heim,
durchs Treppenhaus mit Bohnerwachs und Spießigkeit,
die Frau rief "Mann, wo bleibst Du bloß, Dalli-Dalli geht gleich los",
sie fragte "War was?" - "Nein, was soll schon sein."

Ich war noch niemals in New York, ich war noch niemals auf Hawaii,

Hopin' that you'll find what you're lookin' for. You don't have to worry

Em C G C D G
'cause there's a bright tomorrow in the dreams that roll in a young girl's mind.

Only in shadows and lonely at nights, she turns to you softly - you turn on the light.

You use her and abuse her and you know it ain't right
to treat one who loves you so badly when she's doin' the best that she can.

You know she's doin' the best that she can.

Hand me my guitar, there's a song that I was singin'
back when I was young and I had a good time
lookin' for love in the misty water of the seas that roll in a young girl's mind,
of the seas that roll in a young girl's mind.

and you went there with hope

hey, come on John, sing us your song
of honour and glory while your friends have all gone
sing, sing us your song, keep on singing alone
of honour and glory while your friends have all gone

you were standing there in your uniforms
said good-bye to your mothers saluted your fathers
„I'll be soon back home“ you stood there and smiled
but the war was too cruel it shot down your pride

Kinderlied (Heinz Rudolf Kunze)

D A D
Meine Füße sind so schwer wie meine Hose, wenn ich wieder mal nicht aufpaß‘
A D
Bei so viel Himmel bin ich winzig wie das Töpfchen, wo ich nicht mehr richtig draufpaß‘
G A D
Wenn ich hinaufschau‘ und die beiden etwas fragen will dann werde ich geblendet
hm A D
Die beiden lachen, wenn ich niese, ich will wissen, wann der Weg hier endlich endet

Am Kiosk kaufen sich die beiden je ein Eis am Stiel, und ich geh dabei leer aus
Mir klebt die Zunge fest am Gaumen, auch wenn's nur nach Pappe schmeckt, das sieht nach mehr aus
Ich möchte auch so einen Stiel, und Mutter sagt, „komm her, du darfst bei mir mal beißen,
Das ganze ist zu kalt für dich“, ich könnt vor Wut an jeder Pusteblume reißen

Wo hat man so was schon gehört, zu kalt für dich, ich greif‘ entschieden nach dem Stengel,
die Mutter zieht ihn weg, dann darf sie sich nicht wundern, wenn ich auch entschieden quengel
mal sehen, wie Vater diese Sache sieht, „na Junior“, sagt er, „darfst bei mir mal lecken“
das darf doch wohl nicht wahr sein, und den blöden Junior kann er sich sonstwohin stecken

Und weder Schmetterlinge noch die blöden Kühe können mein Interesse wecken
Solang‘ die beiden da nicht endlich damit aufhören, ihr verdammt Eis zu schlecken
Immer wieder bieten sie mir einen Biß an, ich versuch den Stiel zu fassen
Immer wieder ziehen sie sich mit ihm zurück, und ich beginne, sie zu hassen

Und ich weine immer länger, immer lauter, bis sie schließlich auch noch lachen
Stell dich nicht so an, wer wird denn wegen sowsas gleich so viel Theater machen
Und ich setz mich auf den Boden, dreh‘ den Rücken ihnen zu zum Steinchen schmeißen
Ab und zu dreh‘ ich mich um, die bringen‘s fertig, mir jetzt auch noch auszureißen

Plötzlich ruft mich Vater zu sich, und er gibt mir seinen Stiel, ich darf ihn haben
Doch es ist kein Eis mehr dran, da kann ich noch so sehr mit meinem Milchzahn schlagen
Und ich werf‘ ihn weg und heb ihn wieder auf, auch wenn ich weiß, es ist vergeblich
Daß mein Teddybär zu Hause auf mich wartet find ich völlig unerheblich

Und ich trotte ihnen nach, nur keine Klagen, denn sie soll‘n mich wieder loben
Grüne Wiese, blauer Himmel und ein großer Vogel schreit da ganz weit oben.

Märchenprinz - EAV

A

Es ist Samstag Abend und die Dinge stehen schlecht

E **A**

Ich bin auf der Suche nach dem weiblichen Geschlecht.

Am Wochenende hat man in der Großstadt seine Not:

E **A**

Zu viele Jäger sind der Hasen Tod.

D **c#**

Mir bleibt nur noch eine Chance

D **E**

Hinein ins Auto und ab in die Provence.

Mit meinem Nobelhobel glüh ich auf der Autostrada

Ich betrete voll Elan den Tanzsalon

eingehüllt in eine Wolke Pirtalon

Weil es bei den Mädels tilt ist

Wenn man riecht als wie ein Iltis.

G **E** **D** **E**

Ma-ma-ma-ma, uhu, aha beim Vogeltanz bin ich die Nummer ans.

Da im Disco-Stadl regiert der Furchenadel
und der Landmann schwingt sein strammes Waderl.
Doch die girls von der Heide sind eine Augenweide
und ich frag eine Prinzessin: Na wie wärs denn mit uns beiden?
Das kost' mich fünf Tequila
Ich bezahl', und fort ist die Ludmillah.

Dann geh' ich schnell zur Tricksi und sag: Trink' ma noch na Whiskey,
doch leider hat der Norbert die Tricksi grad in Arbeit.
Und auch bei der Babsi, bei der Zenzi und der greta
Hab ich keine Meter und es wird immer später.
Da is nur mehr die Dorli
Ich geh zur ihr und hauch ihr zart ins Ohrli: Ich bin der Märchenprinz...

Da sagt die Pomeranze: Ja sigst net, daß I tanze?
Und gegen meine Joschi hast du niemals eine Chance.
Drauf sag ich zum Joschi: Junge der Provinz
In diesem Disko-Bunker bin ich der Märchenprinz!
Drauf haut mir doch der Joschi
Eine auf mein Großstadtgoschi.

Ich verlasse die Disko, denn der Joschi ist ein Mörder
So ein grober Lackl, also eing'sperrt 'ghört er.
Ich starte den Boliden , da hör ich den Befehl:
Her mit de Papiere und blas'n 's amoi schnö!
Wo komm ma denn da hin?
Herr Inspektor, wer glaub'n sie, daß ich bin? Ich bin der Märchenprinz..

D G Em A

I'm not sleepy and there is no place I'm going to.

G A D G

Hey! Mister Tambourine Man, play a song for me.

D G Em A D G D

In the jingle jangle morning I'll come following you.

Though I know that evenin's empire has returned into the sand.

Vanished from my hand, left me blindly here to stand but still not sleeping!

My weariness amazes me, I'm branded on my feet I have no one to meet.

And the ancient empty street's too dead for dreaming. Ref.

Take me on a trip upon your magic swirlin' ship
My senses have been stripped, my hands can't feel the grip,
my toes too numb to step, wait only for my boot heels to be wandering
I'm ready to go anywhere, I'm ready for to fade
Into my own parade cast your dancing spell my way,

I promise to go under it. Ref.

Though you might hear laughin' spinnin' swingin' madly across the sun
It's not aimed at anyone, it's just escapin' on the run
And but for the sky there are no fences facin'
And if you hear vague traces of skippin' reels of rhyme
To your tambourine in time, it's just a ragged clown behind
I wouldn't pay it any mind, it's just a shadow you're
seein' that he's chasing. Ref.

Then take me dissapearin' through the smoke rings of my mind
Down the foggy ruins of time, far past the frozen leaves
The haunted, frightened trees out to the windy beach
Far from the twisted reach of crazy sorrow
Yes, to dance beneath the diamond sky with one hand wavin' free
Silhouetted by the sea, circled by the circus sands
With all memory and fate drive deep beneath the waves
Let me forget about today until tomorrow

1.) Well I was out cruisin' getting late and I was losin'

When I saw you walking my way.

So nonchalant, I bet you get what you want

But so do I and I ain't losing today.

Well your hips were swinging and your jeans were clinging

You were driving me out of my mind,

on a hot afternoon when there's nothing to do

You're not the sort of thing a fellow should find.

So I pulled on over, tossed your hair off your shoulder

When you turned and you looked my way

Oh you would have died or you'd have skinned me alive

If I'd have said what I wanted to say,

So being polite said what you doin' tonight

You said just so happens I'm free

you got all the right curves and all the right words,

And that's all right by me.

I dedicate this song to the working man, for every man who puts in eight or ten hard hours a day of work and toil and sweat, who`s always got somebody lookin` down his neck tryin` to get more out of him than he really ought to have to put in.

today when that old whistle blows I`ll check in all my gear and I`ll retire.

The superintendent just dropped by and said they`d planned my little get-together,

G⁷

then he said I`d never made it if old Oney had not held me to the fire.

C⁷

D

I`ve seen him in my dreams at night and woke up in the morning feelin` tired

G⁷

and old Oney don`t remember when I came here how he tried to get me fired.

D⁷

E

With his folded hands behind him every morning Oney waited at the gate

A⁷

A

D

where he`d rant`n raved like I committed murder clockin` in five minutes late.

D⁷

But today they gather `round me like I`ve seen `em do when any man retires,

then old Oney`s gonna tell me from now on I`m free to do what I desire.

He`ll present me with that little old gold watch they give a man at times like this,
but there`s one thing he`s not countin` on: today`s the day I give old Oney his.

Ha-ha-ha! E

and today about four-thirty I`ll make up for every good nightsleep I`ve lost.

When I`m gone I`ll be remembered as a working man that put his point across
with a right hand full of knuckles `cause today I show old Oney who`s the boss.

Hmmm... what time is it? Four-thirty? Hey, Oney, Oney!

D

C

G

Roll over Beethoven, I gotta hear again today.

You know my temperature's rising, the jukebox is blowin' a fuse,
my heart's beatin' rhythm, my soul keeps singin' the Blues
Roll over Beethoven and tell Tschaikowski the news.

I got the rockin' puemania, I need a shot of rhytm and Blues
I caught the rollin' arthritis sittin'down at the rhythm review.
Roll over Beethoven, they're rockin' in two by two.

Well if you feel it, like it, go get your lover then feel it, rock it, roll it over
then move on up just a trifle further then reel and rock it, roll it over
Roll over Beethoven, they're rockin' in two by two.

Well early in the morning I'm giving you the warning:
„Don't you step on my blue-suede-shoes!“
Hey, diddle-diddle, I'm playing my fiddle, ain't got nothing to lose.
Roll over Beethoveb and tell Tschaikowski the news.

You know she wiggles like a glowworm, dances like a spinning top.
She's got a crazy partner, you ought to see `em reel and rock.
As long as she's got a dime the music will never stop.

Roll over Beethoven, roll over Beethoven
Roll over Beethoven, roll over Beethoven
an dig these Rhythm and Blues!

Runaway Train (Soul Asylum)

Vorspiel

1. C em
Call you up in the mitddler of the night. Like a fire - fly without a light,
am G
you were there like a blowtorch burning. It was a key that could use a little turning.
C em
So tired that I couldn't een sleep. So many secrets I couldn't keep.
am G
Promised myself - I wouldn't weep. One more promise I couldn't keep
F G C am
it seems no one can help me now I'm in too deep. There's no - way out.
F em G
This time I have realy led my self a stray.

- Ref:** C em
Runaway train never going back. Wrong way on a one way track.
am G C
Seems like I should be getting some where. Some how I'm neither here nor there.

2. C em
Can you help me remember how to smile - make it somehow all seem worthwhile?
am G
How on earth did I get so jadded? Life's mystery seems so faded.
C em
I can go where no one else can go. I know what no one else knows.
am G
Here I am just drowing in the rain with a ticket for a runaway train.
F G C am
And everything seems cut and dry day and night, earth and sky.
F em G
Somehow I just don't believe it.

Refrain.....

SOLO: C, em, am, G, F, G, C, am, F, em, G;

C em
Brought a ticket for a runaway train. Like a madman laughin' at the rain.
am G C
A little out of touch, little insane. It just easier than dealing with the pain.

2 x Refrain.....

Sag mir, wo die Blumen sind - Joan Baez

C **Am** **F** **G7**
Sag mir, wo die Blumen sind, wo sind sie geblieben ?
C **Am** **F** **G7**
Sag mir, wo die Blumen sind, was ist geschehn ?
C **Am** **F** **G7**
Sag mir, wo die Blumen sind, Mädchen pflückten sie geschwind ?
F **C** **F** **G7** **C**
Wann wird man je verstehn, wann wird man je verstehn ?

C **Am**
Sag mir, wo die Mädchen sind, ...
F **G7**
Männer nahmen sie geschwind ...

C **Am**
Sag mir, wo die Männer sind, ...
F **G7**
zogen fort, der Krieg beginnt ...

C **Am**
Sag mir, wo die Soldaten sind, ...

Sansiba - Achim Reichel

a C G a

Hab' die ganze Welt geseh'n, von Singapur bis Aberdeen.

a C G a

Wenn ihr mich fragt, wo's am schönsten war, dann sag ich: Sansiba!

a C G a

Es war 'ne harte Überfahrt, zehn Wochen nur das Deck geschrubbt;

a C G a

Hab' die Welt verflucht, in den Wind gespuckt und salziges Wasser geschluckt.

a C

Als wir den Anker warfen, war es himmlische Ruh'

G a

und die Sonne stand senkrecht am Himmel.

a C

Als ich über die Reling sah, da glaubte ich zu träumen:

G a

Da waren tausend Boote, die hielten auf uns zu.

a C G a

In den Booten saßen Männer und Frauen, ihre Leiber glänzten in der Sonne.

a C

Und sie sangen ein Lied, daß kam mir seltsam bekannt vor,

G a G a

aber so hab ich's noch nie gehört, ja so hat' ich's noch nie gehört.

a C G a
ALOA-HEA-HEA LOA-HEA-HEA LOA-HEA-HE

Ihre Boote machten längsseits fest und mit dem Wind wehte Gelächter herüber.
Sie nahmen ihre Blumenkränze ab und warfen sie zu uns herüber-
hey- und schon war die Party im gange.

ALOA-HEA-HEA LOA-HEA-HEA LOA-HEA-HE

Ich hab das Paradies geseh'n, es war um neunzehnhundertzehn.
Der Steuermann hatte Matrosen im Mast und den
Zahlmeister ha'm die Gonokocken vernascht.
Aber sonst war'n wir bei bester Gesundheit.

ALOA-HEA-HEA LOA-HEA-HEA LOA-HEA-HE

Saufen (Die Ärzte)

C **G**
Ich und meine Kumpels wir sind ein duftes Team

G **C**
Wir sind regelrechte Alkoholvernichtungsmaschin'

C **F**
Wir saufen bis zum Umfall'n alle machen mit

G **G7**
Und wenn wir dann besoffen sind dann sing'n wir unser Lied

C **G**
Komm wir grölen noch ein bißchen denn ich bin schon wieder voll

G **C**
Komm wir singen über's Saufen über Bier und Alkohol

C **F**
Von dem ständigen Gegröle kriegt man einen riesen Durst

G **C**
Wenn wir dann was gesoffen haben geht das Grölen wieder los

C **G**
Nüchternheit ist blöd nüchtern sein tut mir nichts bring'n

G **C**
Denn im nüchternen Zustand da kann man nicht toll sing'n

C **F**
Besoffenheit ist super und schlägt Nüchternheit um Läng'n

G **G7**
Und hol's der Teufel schon ist wieder Zeit für den Refrain

C
Komm wir grölen ...

Es gibt genug für uns zu tun, darum laßt uns schaffen, jeder packt mit an,

Erst müssen wir kämpfen, keiner weiß wie lang,

erst müssen wir kämpfen für unser Ziel.

Und das Glück von jedermann dafür heißt es kämpfen, los, fangt heute an,
wir kämpfen zusammen, nicht allein.

dann wollen wir trinken, wir haben Durst.

Song for Ireland

D **A**
Walking all the days
Talking all the days
Drinking all the days
Dreaming in the night

Em Bm G A D
By tall towers where falcons build their nests
With true friends who try to make you stay
In old pubs where fiddlers love to play
I saw a land where no one had to fight

A
Silver winged they fly
Telling jokes and news
Someone touched the bow
But waking in your dawn

Em Bm G A D
They know the call of freedom in their breast
And singing songs to pass the time away
He played a reel which seemed so grand and gay
I saw you crying in the morning light

G **A**
Saw Black Head against the sky
Watching the Galway salmon run
Stood on Dingle's beach and cast
Lying where the falcons fly

D Bm Em A
With twisted rocks that run down to the sea
Like silver, darting, dancing in the sun
In wild foam we found Atlantic Bass
They twist and turn all in your air blue sky.

G D
Living on your western shore

A
Saw summer sunsets, asked for more.

G D A
Stood by your Atlantic Sea

Em Bm G A D
And sang a song for Ireland.

SOUND OF SILENCE (Simon & Garfunkel)

a G

1. Hallo darkness, my old friend, I`ve come to talk to you again,

C F C F C

because a vision softly is creeping, left its seeds while I was sleeping,

F C a

and the vision that was planted in my brain, still remains,

G a

within the sound of silence.

a G

2. In restless dreams I walked alone, narrow streets of cobble-stone.

C F C F C

`Neath the halo of a street lamp, I turned my collar to the cold and damp,

F C

when my eyes were stabbed by the flash of a neon light,

a G a

that split the night - and touched the sound of silence.

a G

3. And in the naked light I saw, ten thousand people, maybe more,

C F C F C

people talking without speaking , people hearing without listening,

F C

people writing songs that voices never share,

a G a

and no-one dare - disturb the sound so silence.

a G

4. Fools, said I, you do not know, silence like a cancer grows,

C F C F C

hear my words, that I might teach you, take my arms that I might reach you,

F C - a ~ G a

But my words like silent raindrops fell - and echoed in the wells of silence.

a G

5. And the people bowed and prayed to the neon god they`d made.

C F C F C

And the sign flashed out its warning, in the words that it was forming.

F

And the sign said, the words of the prophets are written

C a

in the subway walls, and tenement halls ,

G a

and whispered in the sound - of silence.

SPANCIL HILL

Am

G

Am

Last night as I lay dreaming of pleasant days gone by,
Delighted by the novelty, enchanted by the scene
Being on the twenty-third of June, the day before the fair,
I went to see my neighbours, to hear what they might say,
I paid a flying visit to my first and only love,
I dreamt I held and kissed her as in the days of yore

C

G

Me mind bein' bent on rambling to Ireland I did fly,
Where in my early boyhood so often I had been
When Ireland's sons and daughters in crowds assembled there
The old ones were all dead and gone, and the young ones turning grey
She's as fair as any lily and gentle as a dove
She said "Johnny you're only joking, as many's the time before"

Am

C

G

I stepped on board a vision and followed with the will,
I thought I heard a murmur and I think I hear it still,
The young, the old, the brave and the bold, their duty to fulfill,
I met the tailor Quigley, he's as bold as ever still,
She threw her arms around me, saying "Johnny, I love you still"
The cock he crew in the morning, he crew both loud and shrill,

Am

G

Am

When next I came to anchor at the cross near Spancil Hill.
It's that little stream of water that flows down Spancil Hill.
At the parish church of Clooney, a mile from Spancil Hill.
Sure he used to make my britches when I lived in Spancil Hill.
Ah she's Nell, the farmer's daughter, the pride of Spancil Hill
I awoke in California, many miles from Spancil Hill.

Star of the County Down

Em C G D Em D

As she onward sped sure I scratched my head and I said with a feeling rare,
At the harvest fair I'll be surely there and I'll dress in my Sunday clothes,

Down a boreen green came a sweet colleen and she smiled as she passed me by,
"Ay", says I to a passer by, "Who's the maid with the nut-brown hair?"
With my shoes shone bright and my hat upright and a smile from my nut-brown rose.

G D Em D

She looked so neat from her two bare feet, to the sheen of her nut-brown hair,
He smiled at me, and then says he: "She's the gem of Ireland's crown,
No pipe I smoke, no horse I'll yoke let my plough with rust turn brown

That I would be good (Alanis Morisette)

A D^{7j/9} hm E (2x)
Fism/A D⁹ hm E (2x)

That I would be good even if I did nothing
That I would be good even if I got the thumbs down
That I would be good if I got and stayed sick
That I would be good even if I gained ten pounds

That I would be fine even if I went bankrupt
That I would be good if I lost my hair and my youth
That I would be great if I was no longer queen
That I would be grand if I was not all knowing

That I would be loved even when I numb myself
That I would be good even when I am overwhelmed
That I would be loved even when I was fuming
That I would be good even if I was clingy

That I would be good even if I lost sanity
That I would be good
Whether with or without you

That`s the way it is

G

Remember back in school, we learned a golden rule:

G⁷

C

do on to others as you`d have them do to you;

C⁷

G

you`re supposed to love me as much as I love you -

D **D⁷**

G

it`s a shame: that ain`t the way it is.

Lovers in a movie on that great big screen:

he treats her like she is a queen, she treats him like a king.

Wouldn`t it be nice if life was lived that way?

It`s a shame: that ain`t the way it is.

C

D

G

G⁷

I`d like to start each morning with "Good morning, dear",

C

D

G

G⁷

and end each night with a good-night-kiss,

C

D

G

Em

but all I have is your memory with me lying here.

D **D⁷**

G

It`s a shame, but that`s the way it is.

A lovesong tells a story of a good love going bad,

then paints a pretty picture of that same love comin` back.

I wish that I could sing it, I wish that I could paint it.

It`s a shame: that ain`t the way it is.

I`d like to start each morning with "Good morning, dear",

and end each night with a good-night-kiss,

but all I have is your memory with me lying here.

It`s a shame, but that`s the way it is.

It`s a shame, but that`s the way it is.

I'm a freeborn man of the travelling people,
Oh we knew the woods and the resting places,

Now I've known life hard and I've known it easy,
All you freeborn men of the travelling people,

Got no fixed abode, with nomads I am numbered
And the small bird sang when winter days were over.

Hear the news, or else swipe family information.
And I've cursed that life when winter days were dawning.
Every tinker, rolling stone and gypsy rover,

Country lanes and by-ways were always my ways
Then we'd pack our load and be on the road,
Then away you'd jog with your horse and dog,
At the country fairs, you'd be meeting there
But we've laughed and sung through the whole night long,
Winds of change are blowing, old ways are going,

C G C F G

I never fancied being lumbered.
Those were good old times for a rover.
Nice and easy, no need to go faster.
All the people of the travelling nation.
Seen the summer sun rise in the morning.
Your travelling days will soon be over.

Through The Barricades (Spandau Ballet)

1. G12 e7 h7
Mother doesnt know where love has gone,
C9 e7 F6/9 C9
she says it must be youth that keeps us feleing strong.
G12 e7 h7
I see it in her face that turns to ice,
C9 e7 C9 D
and when she smiles she shows the lines of sacrifice.
C D9 G D/F# e
Now I know what theyre saying as our sun begins to fade,
C a7 D G12
and we made our love on waste land and through the barricades.
2. G12 e7 h7
Father made my history,
C9 e7 F6/9 C9
he fought for what he thought would set us some-how free.
G12 e7 h7
They thaught me what to say in school,
C9 e7 C9 D
I learned it off by heart. But now thats torn in two.
C D9 G D/F# e
Now I know waht theyre saying in the music of the parade,
C a7 D G12
and we made our love on waste land and through the barricades.
C D9 G D7/F# e
And now I know what theyre saying, as the drums begin to fade,
C a7 D F9 C12 G/D
and we made our love on waste land and through the barecades.
3. G12 e7 h7 C9 e7 F9 G12
Born on diffrent sides of life, we feel the same feel all of this strife.
G12 e7 h7 C9 e7 C9 D
So come to me when I'm a-sleep, we'll cross the lines and dance up-on the streets.
- Brid.:** F C G
Oh, turn around and I'll be there.
F C G
Well, there's a scar right through my heart but I'll bare it again.
F C G D7/F# e
Oh, I thought we were the human race, we were just another borderline case.

And the stars reach down and tell us - there's always one escape - oh.

oh I dont know where love has gone, and in this troubled land desperations keeps us strong.

it's a terrible beauty we've made;

so we made our love on waste land and through the barricades.

To Love Somebody (Bee Gees)

A Bm

There's a light, a certain kind of light
In my brain, I see your face again;

D A G A

That never shone on me. I want my life to be
I know my frame of mind. You ain't got to be so blind,

E D7

Lived with you, lived with you.
And I'm blind, so so blind.

A Bm

There's a way, everybody say,
Can't you see what I am?

D A

To do each and ev'ry little thing.
I live and I breath for you.

G A E D7

But what does it bring if I ain't got you, ain't got ?
But what good does it do if I ain't got you, ain't got?

A E D A A
You don't know what it's like, baby, you don't know what it's like

E D A E

To love somebody, to love somebody the way I love you.

Tränen lügen nicht (Carpendale)

1. Wenn du mir sagst - alles ist vorbei
 F G
wenn du nicht glaubst - sie ist immer treu

 F G C
dreh dich einmal um - schau in ihr Gesicht
am G C
und du wirst sehn - Tränen lügen nicht.

2. Bei Tag und Nacht - mit ihr war alles schön
 F G
die Tür steht auf - willst du wirklich gehn
 F G C
wie ein offenes Buch - ist ihr Herz für mich
am G C
und du wirst sehn - Tränen lügen nicht.

3. Vergossenen Wein - den drinkt keiner mehr
 F G
ein verlorne Herz - bleibt immer leer
 F G C
es ist nie zu spät - komm entscheide dich
am G C
reich ihr die Hand - Tränen lügen nicht.

Gesprochen: ha, ha, ha, ha – Chor

Sag doch selbst, was wirst du anfangen mit deiner Freiheit, die dir
jetzt so kostbar erscheint, wie früher mit Freunden durch Bar's und Kneipen ziehn?
Ha und dann wenn du das satt hast, glaubst du das Glück liegt auf der Straße
und du brauchst es nur aufzuheben, wenn dir danach zumute ist, nein nein mein Freund.

4. Die große Stadt - lockt mit ihrem Glanz
 F G
mit schönen Frauen - mit Musik und Tanz
 F G C
doch der Schein verbirgt - was er dir verspricht
am G C
kehr endlich um - Tränen lügen nicht.
 F G C
Dreh dich einmal um - schau in Ihr Gesicht
am G C
und du wirst sehn - Tränen lügen nicht
 F G C
Dreh dich einmal um - schau in Ihr Gesicht
am G C
und du wirst sehn - Tränen lügen nicht

Tür an Tür mit Alice

G

Ich grüßte jedesmal doch sie lächelte nur

D **G**

Warum ich nie zu ihr fand dabei trennt mich bloß eine Wand

A **D**

Oh, eine Wand trennte mich von Alice

Warum habe ich ihr nie eine Frage gestellt und ihr gesagt wie sehr sie mir fehlt

A **D** **A**

Ich sah das Lächeln auf ihrem Gesicht und doch tat ich es nicht

Ich weiß nicht wo sie hin geht ...

Wenn Träume sterben (Puhdys)

New York and Boston, yeah we sure had some fun
summer nights in the park, and when the music would start, ooh what a time and then some

We sang together „A Good Feeling To Know“
yeah we turned it up loud, gave our hearts to the crowd, but then came the end of the show

do you remember then, how the music made you feel when it all began

Whisky in the Jar

D **Bm**
As I was going over the Kilmagenny mountain
G **D** **A**
I met with captain Farrell and his money he was counting.
D **Bm**
I first produced my pistol, and the produced my rapier.
G **D** **A**

D

G
whack for the daddy 'ol
D **A** **D**
there's whiskey in the jar

I counted out his money, and it made a pretty penny.
I put it in my pocket and I brought it home to Jenny.
She said and she swore, that she never would deceive me,
but the devil take the women, for they never can be easy

Chorus

I went into my chamber, for to take a slumber,
I dreamt of gold and jewels and for sure it was no wonder.
But Jenny took my charges and she filled them up with water,
and send for captain Farrel to be ready for the slaughter.

Chorus

It was early in the morning, before I rose to travel,
the guards were all around me and likewise captain Farrel.
I first produced my pistol, for she stole away my rapier,
but I couldn't shoot the water so a prisoner I was taken.

Chorus

If anyone can aid me, it's my brother in the army,
if I can find his station in Cork or in Killarney.
And if he'll come and save me, we'll go roving near Kilkenny,
and I swear he'll treat me better than me darling sportling Jenny

Chorus

Now some men take delight in the drinking and the roving,
but others take delight in the gambling and the smoking.
But I take delight in the juice of the barley,
and courting pretty Jenny in the morning bright and early

Wish You Were Here (Pink Floyd)

Solo: Em G Em G Em A Em A G

C D

So so you think you can tell

Am G

Heaven from hell blue skies from pain

D C

Can you tell a green field from a cold steel rail

Am G

A smile from a veil do you think you can tell

C D

And did they get you to trade your heroes for ghosts

Am G

Hot ashes for trees hot air for a cool breeze

D C

Cold comfort for change and did you exchange

Am G

A walk on part in the war for a lead role in a cage

Solo: Em G Em G Em A Em A G

C D

How I wish how I wish you were here

Am G

We're just two lost souls swimming in a fish bowl year after year

D C

Running over the same old ground what have you found

Am G

The same old fears wish you were here

With a little Help from my Friends - Beatles

C G Dm

What would you do if I sang out of tune would you

G7 C

stand up and walk out on me?

G Dm

Lend me your ears and I'll sing you a song and I'll

G7 C

try not to sing out of key. Oh..

Bb F C

I get by with a little help from my friends. Mm, I get

Bb F C

high with a little help from my friends. Mm, I'm gonna

F C

try with a little help from my friends.

What do I do when my love is away, does it
worry you to be alone?

How do I feel by the end of the day, are you
sad because you're on your own? No..

(Chorus)

C Am7 D7 C Bb F

Do you need anybody? I need somebody to love. Could it

Am D7 C Bb F

be anybody? I want somebody to love.

Would you believe in a love at first sight? Yes, I'm
certain that it happens all the time.

What do you see when you turn out the light? I can't
tell you but I know it's mine. Oh..

(Chorus)

Wreck of the old '97

C F
They gave him his orders at Monroe, Virginia,
C G G7
they said: „Steve, you're away behind time.
C F
This is not thirty-eight, this is old ninety-seven,
C G C
put her into spencer on time.“

F
So he turned around and said to his black, greasy fireman:
C G G7
„Hey shovel on a little more coal!
C F
And when we cross that White Oak Mountain,
C G C
watch old ninety-seven roll.“

F
It's a mighty rough road from Lynchburg to Danville
C G G7
in a line on a three-mile grade.
C F
It was on that grade that he lost his airbrakes,
C G C
you see what a jump he'd made.

For he was goin' down that grade making ninety miles an hour
his whistle broke into a scream...
He was found in the wreck with his hands on the throttle
scalded to death by the steam.

Well, now all you Ladies, you'd better take a warning
from this time on and learn:
Never speak harsh words to your true-lovin' husband,
he may leave you and never return!
